## Contract to Repave Running Springs School Road Approved

**SAN BERNARDINO**—March 25, 2014—The San Bernardino County Board of Supervisors approved a contract to repave a stretch of Running Springs School Road on Tuesday.

"Regular maintenance projects like this one are critical to preserving the life of roads in our unincorporated communities and to ensuring that those roads are safe for motorists," San Bernardino County Board of Supervisors Chair Janice Rutherford said.

The project entails repaying Running Springs School road from Snow Cactus Court to Highway 18 and replacing a damaged asphalt concrete dike. New traffic stripes and pavements markings will also be painted on the new road surface.

The San Bernardino County Department of Public Works advertised the project and received seven bids. As required by State law, the department selected the lowest responsible bidder: \$424,000 from Hardy & Harper, Inc. of Santa Ana.

Work on the project is expected to begin in early April and should be completed by mid-May. The project will require lane closures, and drivers are urged to use caution when driving in the construction zone.
